308 308.1	Councillors Reports Cllr Taylor concerned at smoke moving over Upper Longdon and settling. This is coming from a burning pile of refuse at Oak Tree Farm, Rugeley. Staffs County Council and fire service are looking at this. Concerns that the lorries which were turning up to tip, could possible move to fly tip elsewhere in the area.																										
308.2	Cllr Taylor concerned re possible building taking place on land backing onto 'the kennels', Upper Longdon. Neither Cllrs Pritchard or Tittley are aware of approval for work on this site. Cllr Stanfield to look at plans and come back to the parish council. It was noted that the land was outside the settlement boundary, was in AONB and in Green Belt, which are major obstacles to overcome for any development.
