	April 2016						
	Longdon WI for costs associated with provision of refreshments at Annual Assembly	002054	£3.50	£ -	£3.50		
Proposed: Cllr Webb, Seconded: Cllr Morgan							
221	Grants						
221.1	There was one application for grant received from St James Church. This had been a request for £1,700 towards total costs of £3,250 for works around grass cutting, arboriculture works and general maintenance of Longdon villages churchyard.						
221.2	Using the Terms and Conditions approved under item 216.3, the application was assessed by councillors. The annual budget for Grants was £2,000 and giving a grant of £1,700 to one applicant would not be reasonable and leave little in the budget for other applicants later in the financial year. Applications to the parish council were now being heard 3 times a year and it was agreed that a grant of £666 be offered to St James Church as this was the allocation of funds for this third of the year and no other applications had been received. <i>It was noted that the PC also pays £300/year for bin emptying at St James</i>						Clerk to write to St James Church to offer grant.
222	Best Kept Village (Longdon, Layden Green, Upper Longdon)						
222.1	A local resident had offered to buy tubs to replace broken ones and then to plant them up. It had been agreed that £150 budget be set associated with that work. Clerk to contact Alan Johnson to confirm budget. <i>(Broken tubs on Berkeley Way)</i>						Clerk to speak with Alan Johnson
222.2	Cllr Duckett agreed to talk to preschool to see if they could be involved in BKV this year.						Cllr Duckett to speak to Preschool
222.3	Cllr Taylor agreed to talk to the primary school <i>(St James)</i> to see if they would enter a school drawing competition as part of BKV.						Cllr Taylor to speak to school
222.4	Cllr Fullwood was bringing together the various elements of BKV for the parish council and would look at increased advertising and care and maintenance of other tubs in the villages. It was agreed that she had a budget of £50 <i>for the work for the book toker.</i>						Cllr Fullwood to coordinate works.
Proposed: Cllr Webb; Seconded: Cllr Taylor							
223	Highways and Open Spaces Committee						
223.1	Footpath at the rear of the memorial hall needed to be improved and made sound and the stile removed. A quote of £80 had been obtained to do the work and this was agreed.						Clerk to commission work
Proposed: Cllr Morgan; Seconded: Cllr Taylor							
223.2	The contract for the grass cutting around the parish had lapsed an GC McCulloch was continuing under the previous year's contract. It was agreed that a new tender be drawn up for 2017/2018 which would include additional works of removing grass cutting from biologically sensitive sites.						
224	Communications						
224.1	There had been 2 pieces of writing re the parish in the Lichfield Mercury. Cllr Webb would continue to co-ordinate the Parish News on the basis that this would provide a summary of the parish council meetings and come out sooner than the full minutes.

<p>225 225.1</p> <p>225.2</p> <p>225.3 225.4</p>	<p>Annual Parish Assembly Cllrs considered what went well/went wrong with the Assembly meeting and how things could be improved for next year.</p> <p>Cllrs agreed that Cllr Morgan had been an excellent Chair and communicator for the event. It was felt that the refreshments should have been made available earlier in the evening with a break before the key speakers. Feedback said that having the event at the Village Hall had worked well and I was good to have the discussions in the round, rather than speakers from a stage.</p> <p>The parish council had heard from the Diocese that there were no immediate plans to sell the land. // Clerk to formally email the institute and request the need for a meeting.</p>	<p>Clerk to email institute re meeting</p>
<p>226 226.1</p>	<p>Neighbourhood Plan The plan was to go out to a formal 6-week consultation period and all residents would get a final draft. It was hoped that these would be distributed by the middle of June so that by the end of July, the plan could be handed over to Lichfield District Council. Richard Clarke was working on the consultation summary.</p>	
<p>227 227.1</p> <p>227.2</p>	<p>Councillors Reports Cllr Taylor had attended the Cannock Wood and Gentleshaw Village Hall AGM and advised that he would not be attending any more.</p> <p>Cllr Webb reported that the Longdon Community Group had unfortunately had to cancel the Spring Ball but now work was progressing on the Queen's birthday event to be held on 12th June in front of the Red Lion in Longdon Green.</p>
